

Nola Ronnell Desselle

April 7, 1950 - December 23, 2022

Nola Desselle, age 72, passed away December 23, 2022.

It is said that "The hand that rocks the cradle rules the world". The hand that rocked our cradle passed from this world and will be missed dearly, but she will live on in this world through the many people and lives she's has touched, shaped, and inspired.

Nola Ronnell Desselle was born on April 7, 1950, to Bernard Doudna and Virginia Wade Doudna in Richland Center, Wisconsin. On July 13, 1968 she married Rodney Eugene Desselle. Nola and Rodney relocated to Texas in the mid-1970s, where they raised their seven children.

Nola was a dedicated mother that always leaned in with kindness and love. Driven by necessity and love of her children she developed many skills to help a family of nine to grow and provide a better life for them from sewing clothing, to working on cars, to throwing an impressive spiral and to being the designated referee for her seven children. This love of learning to do new things was shared with her children and she carried this into her own life as well and obtained an Associate Degree.

She leaves behind her two sisters, Melodee Autenrieth and Ranay Lusk, five children, Evangeline Moore, Ressie Desselle, Caleb Desselle, Eugene

Desselle and Dalvis Desselle, partner, Benito Catete, as well as sixteen grandchildren, seven great-grandchildren and numerous other relatives and friends.

Nola is preceded in death by her parents, Bernard and Virginia Doudna, her brother Wade Doudna, her husband, Rodney Desselle, and two daughters, Rochelle Mask and Ruby Desselle.

Her passing leaves a void that cannot be filled but eased by memories of her love and the parts of her that she left in the people she touched throughout her life.

We will have a graveside funeral service at County Line Cemetery in Oak Grove, Texas on Saturday December 31, 2022, at 10:00 am.
