“ *I was so sorry to hear of Noma Lee's passing. It has been many years since I last saw her but I remember going into her store with my Granddaddy & Daddy(Athur & Beauford Pool) and she always greeted us with a huge smile and a hug. She was a very sweet lady. I can imagine the reunion her, Grandad,& Dad are having in Heaven. May even be having a game of 42 dominoes*

“ I have known Mrs. Slott for almost 40 years and she was always the same, sweet lady she always was. The store was never the same without her at the register. I remember when we were first married and living in NW, I stopped at Slott's to get groceries and Mrs. Slott asked me if I wanted to "charge them". That convenience was something no other store back then would do. It was a true blessing since we were newly married and trying to figure out a budget. She was the most compassionate and caring lady & will be missed by many! She leaves behind a wonderful legacy for her family!

“ Our prayers are with each and everyone of you! There is no doubt that Mrs. Slott is in Heaven now with my dad (Dusty Rhodes), Wayne and Mr. Sam catching up on all the latest. Growing up in New Waverly in the 70's "Slotts Grocery" became a part of our life and many a life lesson was learned in that store. Many people all over the state will be touched by this passing of a truly iconic woman. As her family take heart in knowing she touched so many lives in a positive way. We consider ourselves blessed by God to be friends with all of you! During this time and forever God will wrap you in his endless love to ease your pain. If we can do anything, please call!

“ For many years I grew up not realizing that Mee-Maw was really not my "real" grandma, but she never treated me any different. She always welcomed me into the store, just like all the other Slott grandkids. I remember when we were little and we'd play hide-and-seek in the feed room. Every once in awhile, we'd dare each other to go into the beer cooler and see who could withstand the cold the longest (before we were caught of course). As I got older, Mee-Maw always seemed to show an interesst in how I was doing as if I were still one of her grandkids. She is definitely a New Waverly icon and will be missed. You are all in our prayers! Love you!

“ Joe and I want to say how sorry we are that your family and the town of New Waverly has lost such an icon. I always admired how Mrs. Slott was at the store even if she didn't feel well..... She was such a hard worker.  
I enjoyed talking with everyone as I checked out. Joe went in there so much, Linda knew what he wanted before he asked. We all know Slotts has the best meat in town and Joe says Slotts has the coldest beer anywhere. The store just won't be the same without her. May God give you the peace and confort you need during this time in your life. Joe and Karen

“ When I first came to New Waverly with my late husband, Duke Paulsel, Slott's grocery store was one places he showed me. He said if you ever need anything, go to Ms Slott's and they will have it. Duke loved each of you so very much and he had to utmost respect for Ms Slott. I as well had the greatest respect for Ms Slott. She will be deeply missed by all of Walker and Montgomery County. I know that people from miles from New Waverly knew about Slott's Grocery and Ms. Slott and her kindness. Ms Slott will be deeply missed by so many. My deepest sympathy is with each and everyone of Ms Slott's family. I know see is in Heaven with all that went before her. May God give you strength to make it through this difficult time.

“ I cannot remember New Waverly without Mrs. Slott. She was a part of the "greatest generation" from which we should all take lessons in: working hard, treasuring our families, and enjoying life.

To all her family members, you have my deepest sympathy. I will never forget her. Sometimes I still think I glimpse Wayne in front of the store waving and smiling, and now I suppose I will always imagine Mrs. Slott still there at the checkout inquiring about the wellbeing of my family in her soft voice as I check out.

God bless you,  
Vergie

“ To our town.....What will New Waverly be like without Me-Maw? She has always been a historical reference, if you needed to know she probably had the answer. To Sug & Linda & all of our neighbors.....Larry & I were saddened to hear your loss. We will dearly miss our afternoon chats with Me-Maw, when we stop for a gallon of milk or a loaf of bread. Your family has always been an extension of our own, please let us know if there is anything we can do.

“ Our prayers and thoughts are with family and friends. As far back as I can remember, even when she took care of me as a child, Noma Lee always found something to smile about every day. She will be missed.
