Norma Dell was the type of person everyone inspired to be. She was great at just about everything she did - People stopped when she came into a room - everyone knew her and loved her - She was my 7th Grade Teacher, Family Friend, College Boss and my everything. She taught me so much and was such a great influence in my life. She was a true BEARKAT. You are my Hero Norma Dell and I love you so very much! You will be greatly missed by all. Please continue to guide me through the rest of my life as my "Special Angel"! Love you NDJ!

“*Norma Dell Monk, as she was known then, was the greatest teacher I ever had. When I was a child, going through a lot, she quite literally saved my life. And as I became an adult, and we became friends, I was grateful to get to tell her that, to thank her, to express to her how much I loved her. It's hard to believe she's gone, and it's like the end of an era, she was a force of nature. I am a better man because of this woman. This teacher. This friend.*
