“ *Dear Mrs. Frank and family – I was very saddened today to read in the Montgomery County News the passing of Norm. Please know you have my condolences and prayers during this time of great loss and sorrow. I had the privilege of knowing Norm for only the last few years through his assistance and work with helping Montgomery County understand the issues we face regarding reduction of groundwater and conversion to surface water. I found working with Norm a pure joy and was able to learn from him as well as lean on him for assistance. He will truly be missed. Kathy Turner Jones*

“ Anna, I am so sorry to hear about Norm. I loved him. We kept in touch these past years after I left Montgomery. He was a gem, so smart, so supportive. “ Dear Mrs. Frank and family,  
I have known Mr. Frank for years. I work at a place he conducted some personal business. He would always call me and tease me about the current political situation. He would always tease me that he was sure I voted these people into office! I would tell him over and over...NO!  
We would talk about current events and I always enjoyed his calls. May his memory become a blessing to you.

“ Anna, we are so sorry for the loss of Norman. We didn't know him for a long time, but it was always a joy to be with you and him. He had a sense of humor that could put Yogi Berra to shame. We so looked forward to seeing you both at Wine Tastings as we knew it would be a good evening no matter what the wines were like. I know he liked me as he kidded me relentlessly. His devotion to the community as well as his insights will be a severe loss to Montgomery County. We are so glad we saw you all several weeks ago -- he has been in our thoughts and prayers. May God Bless him and you. Alex and Margaret
