“ Jan, I too am saddened to learn of Victor's sudden passing. I am presently trying to cope with the very recent death of my sister-in-law. I did not know her well and will always consider that to be my loss. I always thought there would be time later. I was wrong. So, the time spent with Victor at the reunion, however brief, is now a memory I will always treasure. Please know that you are in my thoughts and prayers during this time and may God be with you all.

“ *Dear Marguerite:*
I was so sorry to read in the paper tonight that your son Victor had passed away. I remember how we both talked about how special our Victors were. My Victor is a little younger than yours, but he is a grandfather now. I miss our visits at the church (FUMC in Waycross) since I retired and you moved to Texas. I pray for you and the family during this time of sadness. May the Lord comfort you all and keep his loving arms around you.
Love,
Marilyn Martin (retired FUMC Secretary)

“ To the Oldenbuttlet's,
Donna, Troy, and myself would like to offer our condolences for the passing of Victor. Like everyone else, we were disheartened to hear the news. Eventhough we haven't associated that much since you guys moved out of the neighborhood, we still consider you very good friends. Jan you take of yourself, we will all miss Victor.

“*Jan and Mrs. Oldenbittel, I am shocked and sad to learn of Victor's sudden death. He has been a friend since early Sunday School days and one of our neighborhood gang in childhood. Jan, you and he are part of my best memories of high school, as you have been a wonderful couple all these years. We are so happy you came to the reunion last year - a lesson to all of us to grab every moment in life to enjoy our friends. You have so many Class of 65 friends who love you both and will miss Victor and will keep you all in our hearts and prayers in the months to come.*
