“ *I am so sorry for your loss. I didn't know Odessa personally but she kept in touch with my mother, Helen Cox, for years and I could tell from her wonderful cards and letters that she was a very special person--so full of love and laughter. I spoke with her once by phone and felt as if I had known her for years. It must be the name Odessa. My beloved mother-in-law was also named Odessa and she had a heart of gold too. My thoughts and prayers are with all of you.*
