“ *I was very sorry to read of Mr Patteson's passing. Patrick and I were good freinds for many years and Mr and Mrs Patteson treated as one of their own, providing me with help and guidance for many years. I am truly sorry I will be unable to attend his memorial service. I would like to offer my sincere condolences to Patrick, Robbie and Linda.*

“ *Like Guy McMenemy, Stan Wise, Glenn MacConnell, Mark Carter and so many others, I too was lucky enough to be part of a wonderful Motor Corps group that shared many years of competition, tons of laughs, and a few cold beers...Pat and Jackie were great friends to have during those times in the 70's and 80's...I often think of the great fun we had at those Shrine conventions in many different cities and will always cherish the memories... You could always tell where Pat was during Red Racer practice drills...He was the guy smoking a pipe and doing figure 8's...Rest in Peace my friend... We'll certainly miss you...*

“ I really miss you, Pat. The weekend yard sales won't be the same without you. I especially miss our chats on Saturdays and your shared interest in my classic cars. You were always positive and upbeat and I never heard a negative comment from you.

*Vaya con dios, my friend.*

“ We are so sorry to hear of Pat passing away. I rode Red Racers with Pat in competition and parades for many years. Pat & Jackie were great contributors to the Motor Corps. They will be sorely missed by the members of the Arabia Shrine Motor Corps.
