“ *James & Oma were family to us in Salmon, ID. We met them at church and we adopted them right away. I was pregnant at the time and Oma offered to baby sit after the 6 weeks so I could go back to work. She wouldn't take any money but agreed I could pay for her hair appointment each week. We have many memories of them and pictures. When James took the kids fishing for the first time with their own poles. Oma reading the Berenstein bear books. She was a wonderful cook and baker. Had us over for lunch every Sunday after church. I have so many receipe's if any one needs any from her. My favorite was her Pecan pie and my two kids Jessica now 35 & Joshua 34 with families of their own, loved her Snickerdoodle's. We visited them when they moved back to Cottonwood, AZ and they came to visit us when we moved to Mountain Home, AR. Very giving people and are deeply loved and missed. Blessings, Jan & Kyle*
