“ Opal will be missed so much by her many friends and family. I always looked forward to sitting with her in church and working on committees with her. She was always such a neat person to talk to, whether it be by phone or in person. She loved her family so much, was such a ray of sunshine with the smile she always had, and was full of fun. She was a very caring, compassionate person. I will truly miss her and her friendship. God needed a special angel and Opal certainly is the perfect person for that. My thoughts and prayers are with you. Take care. If you need anything, please remember I am just a phone call away. Dorothea
