“ To the Bayer Family:

I am a former Huntsville Fireman and Oscar was a great fixer upper and was always there when you needed a hand.

I remember many times when oscar would relieve me after I brought the truck to a scene and take over so i could go fight fire.

I am sadden to hear the loss of your loved one. I know that he is in a better place now. God bless you

“ Oscar was a true friend and great to be around. Oscar cared for others. He was always there when you needed someone to talk with. He cared a lot for the people here and that spoke well of him as a firefighter for the years of service. Oscar will be missed by many.

“ It is a rare thing to meet someone who knows the true meaning of friendship but Oscar was one of those quality people. He was highly thought of and will be greatly missed. I am proud to have been his friend.
