“ I would like to express my deepest sympathy to the Cruz family and dear friends. My prayers are with all of you. The loss of a loved one breaks into our lives with an irresistible force, often when we are completely unprepared and it robs us of those we hold dear. When under extreme pressure from your grief may you cry out to God "My spirit is failing; My heart is numb within me." Psalm 143:4 and he will 'heal your broken heart and bind up your painful wounds'. Psalm 147:3

“ My condolences to Brandy and your son and Oscar's family. He was a good friend all throughout the years I knew him in school. I really didn't know too much about what was going on with him lately. But it's a shock to find out he is no long with us. God only takes the best. He's now resting in peace. I will keep Brandy and his family in my prayers.
