“ *We first met Pam and Michael in 1981 when we moved in next door to them.*

They were always very nice to our kids, and wanted some of their own. Pam always had a smile and we got along just fine.

I remember writing letters to the adoption center to attest to their ability to be parents so they could adopt Chris and Jeffrey. I had no doubt they'd be good parents.

I'm so sorry for your loss. Your mom was a very good person and I know she's in a better place.

God bless you! Carolyn and Roger Goodwin

“ I did not even know that Pam was in poor health when we visited together this summer at our CFS conference. I have known Pam for many years and met her when I was a student in her job specific class at Sam Houston. I have considered her my mentor since I have begun teaching Food Production and now Culinary Arts. She generously shared so many of her great teaching ideas with me that I am still using in my own teaching. I will never forget her kindness, wonderful intelligence and the help she so freely gave to me when I started out teaching this area. She will truly be missed by so many but I will really feel her absence since I will no longer be able to visit with her and share ideas as we have in the past. I share your sadness.

Sincerely, Faye Blackmon, Duncanville High School

“ It will never be known how many people Pam's smile and love have touched. As a teacher, FCCLA advisor, FCSTAT member and president she was the pinnacle of professional. Her love shined through in her beautiful smile, jubilant laughter, and loving heart. Pam's presence will truly be missed, but her love will continue to radiate through those of us who have been blessed to know her. May God's loving peace surround her sons, sister, students, and extended FCS family. I know that I will continue to grow as a teacher because Pam has shown us the way to face adversity, never give up, and always keep the flame burning. God blessed us with you, Pam, and now you are a shining star in Heaven. With love and thanksgiving to God that you were a part of my life.

“ God looked around his garden
And found an empty place.
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
Peace be thine Pam, in God's hands. You will be dearly missed by
many, and never forgotten by all. Thoughts and prayers to those
you held dear, may God be with them.

“ *The world lost a wonderful woman when we lost Pam. There was nothing she would not do when you asked for her help. She always had a smile and good word no matter what was going on in her life. I know all of HISD will have a void too big to fill without Pam. May God bless her boys to get through this.*

“ *Pam was truly an icon on the Huntsville High School Campus. She was incredibly loved and respected by her peers and students alike. There are very few who love their students here at HHS more than she did. She is greatly missed by her Hornet family and we will always smile remembering her dedication and service. May God bless this family.*
