“ *I was so very sorry to hear of Pat's death. He and my husband were great friends in high school and beyond and I knew him pretty well myself. A fun person to be around and full of a good sense of humor - much like his father and a younger brother whom I knew as well. I never ceased enjoy his company and he loved my Tater as much as I did - it was mutual. He will be remembered here in Jefferson. All his old hs friends are certainly going to miss him at the All Class Reunions. His entire family were highly enjoyable people and well respected. Bon voyage.*

“ *Pat and I became friends from the day that I met him at Chance Vought in 1955. Over the years we worked, duck hunted, fished, shot skeet, floated the Buffalo river, played poker, played golf, and went horse racing together. I count him as one of the best friends of my life.*

He had the best sense of humor of anyone I ever knew and lit up any group that he was in with his spontaneous one liners.

I will sorely miss him.

“ On Halloween night 2001, I walked my son next door to trick-or-treat. I commented to Mr. & Mrs. Scantlin that the Heath bars they were handing out were my favorite. For the next few years, Pat always made sure to have them on hand, and he always gave Thomas a few extra.
We're sorry for your loss, and will be praying for Susan during this time.
