“ To the family of Pat Lemmer, Sending condolences from our family to yours.

Pat and I worked together at TCOC in the late 60's and early 70's. She was a wonderful, caring outreach worker. She made a big difference in many lives, as was shared with me by the many clients she would bring for me to assist, as I was the Housing Director. Pat often gave items of her own, to assist clients she felt needed items more than she. A wonderful, beautiful lady.

We shared many things in common. We had July Birthdays and also shared July with the late Joan Sheridan, another TCOC employee. I am a 5th generation member of the Assembly of God and she would visit with my grandmother, whose Uncle was an AG minister. Grandmother Masinda was a founding member of the Rock Falls Assembly of God in the 50's. Grandmother would bring lunch to the office and she and Pat often talked abt recipies and their children. Fond. memories of your mother and her helpfulness to so many, will not be forgotten.

She had a talent for helping others in need, knowing what they needed before they would even ask. Your mother always kept me laughing, especially when she would give her 'eye roll'. I remember one time we got scolded, while at a meeting, when she turned to me and gave that ' eye roll' and I could not stop laughing and had to excuse myself from the mtg. Mr. Brown laughed, too. Joan kept a straight face. Odd, what one remembers, like it was yesterday. Your mother was a fun person to be with.

I, too, went to Mendota High School and we would often share memories of those we both knew, even tho we were not in the same grade.

I was blessed to have her in my life and call her a friend. I am sorry I did not have the opportunity to visit with her after we moved back to Illinois from Arizona. Joan would give me updates abt your Mom,

when I would see her.

Our thoughts and prayers go to the entire family at this time of sorrow; yet celebrating that she is with our Lord and no longer in pain.

“ Patricia Lemmer was a dear, giving, unselfish friend. She always made me feel special. Now that I hear from other folks, she made everyone feel that way. That was just a part of who she was. When my mama passed away, she opened her arms and her heart to me. I will never forget her, and I cherish my memories of her. To Cindy and all her siblings, know my condolences and prayers are with y'all. Love this family!

“ Our Mother was one of the hardest working women I have ever known. She taught us to do something right the first time and to be proud of what we've accomplished. She showed us by her own life how to have a giving, unselfish and compassionate love for others. She didn't lavish herself or us with riches or the finer things in life, but she encouraged us to enjoy what you have and be thankful always. She taught us, that by giving and doing for others, we will become better people and she was right. I thank God everyday for Blessing us with the Mother he did. She was beautiful, kind, and very strong willed. She will always be missed. We thank God for giving our Mother to us for as long as he did...we are so honored and Blessed... See you soon My Dearest Mother!
