“ *Ms. Pat, I met you when I was five years old and you always had a smile on your face. Carolyn and I became best friends quick and you always made me feel at home. You had a way of making me laugh and feel good. I will miss you greatly. You will always have a special part of my heart. Thank you for being that special friend.*

“ Pat was my co-worker and friend. I am so saddened to know that she won't be around to spread her laughter and wise advice. She was just so GOOD! She loved God and her family more than I could ever put into words...she was a gift to me, and I will treasure the memories that we shared. May God bless her family and friends during this sad time. I know where she is now, and while nothing could be better than seeing the face of God and the heavens that are now her home, she will be missed so much.
