“ *So very sorry to hear of the death of my very dear cousin , Pat . We lost touch over the past few years but I have fond memories of our childhood in Manchester and Chester . I remember that photograph so well . She was beautiful . I will have a Mass said for the repose of her soul at my parish church St. Mary and Sr. Modwen in Burton Upon Trent , Staffordshire . I pray that Our Blessed Lady will bring all her beloved family comfort at this very difficult time . With fondest love from cousin Pat ( England)*

“Karen Wren Shumate, there are no words of comfort which I can share; which will ease your pain. I will say this with great conviction. Loss of loved ones is to embrace the value of what they brought to your life. Hold on to that for in all its comfort. That moment of clarity will always bring you through. Do take care my friend and my sincerest condolences for the loss of a treasured loved one.

“Pat inspired me. With Nichole, I had the pleasure of frequently visiting Pat over the last 4-5 years. What stands out, from all those visits, is Pat's joyful docility, detachment and humor despite her declining health and the challenges presented thereby. Pat's strong faith fueled and informed her joy. She confidently knew blissful eternity was the future and, as such, the difficulties, indignities and annoyances of failing health simply didn't compare. I pray for the grace of the same eternal outlook and am grateful to Pat for such a vivid roadmap. Requiescat in pace, love, Todd.
