

Patrick Raymond Hogan

May 20, 1954 - April 6, 2018

Patrick Raymond Hogan passed away with his loving wife by his side on April 6, 2018 after a short battle with cancer. His passing left family and his many friends alike with an almost unbearable sadness. But his life was full of joy and love.

He was born on May 20, 1954 in Sacramento, California to Earl Michael Hogan and Patricia Josephine (Collins) Smith. When he was twelve years old work forced the family to move to Limestone, Maine. Once the family realized where they were, they moved to Dickinson, Texas in 1967 with parents working at NASA.

He earned a Bachelor of Science in Agricultural Business from Sam Houston State University. After college he spent ten years in residential construction around Huntsville. Fate lead him to work at Amycel/Spawn Mate in Madisonville, Texas, the leading innovator of mushroom strains. He started in Plant Maintenance and worked his way up to Plant Manager. He was a devoted employee and a respected boss for over 29 years.

Outside of work, his cup overflowed with his passions in life: family and friends, golfing, fishing, and playing music. He was an accomplished musician and singer, playing the guitar, mandolin, and harmonica with friends and two musical groups: The Mixed Review and the Danotones.

He is survived by his adoring wife, Victoria Dee (Holmans) Hogan, sons Dustin McRae and Chase McRae, brother Michael Hogan, and sisters Pamela Hendricks, Dena Sutton, and Darci Molinar. He has two granddaughters, four nephews, and two nieces.

Visitation will be held at 12:00 PM (noon) followed by memorial service at 1:00 PM on Friday April 13th in the chapel of Sam Houston Memorial Funeral Home in Huntsville, Texas. Following, there will be a reception with food, drink, and music at the American Legion Hall to celebrate Patrick's life.

In lieu of flowers, please donate to your favorite charity or give someone a big hug!
