

Patrick Bates Nolan

February 4, 1942 - January 30, 2012

Patrick Bates Nolan was born 2/4/1942 to Thomas J. and Cecile H. Nolan in Minneapolis MN, and died peacefully on 1/19/2012 at home in Huntsville, TX following a massive heart attack in November. He graduated from Southwest HS in Minneapolis and attended Carleton College in Northfield MN, where he met Bobbe Ann Shapiro at a square dance. Because Carleton did not then permit students to be married, he transferred to the University of Minnesota, where he completed his BA, MA and Ph.D. in American History. During graduate school summers he proudly served as a Seasonal Park Ranger Historian at Mt. Rushmore, Lincoln's Birthplace National Historic Site, and Glacier National Park. Patrick taught American History and administered archives and special collections at University of Wisconsin, River Falls and at Wright State University in Dayton OH, where he developed a graduate program in public history. He was a founding member of the Midwest Archives Conference and the Society of Ohio Archivists, and spent a year in Washington, DC with the Council on the Humanities. He organized exhibits and published on the Wright Brothers and the documentation of early flight. After a brief period at The Hagley Museum in Wilmington DE, he came to the Sam Houston Memorial Museum in 1992 as Director. He delighted in costumed re-enactment and actually being paid for firing guns and throwing tomahawks. During this time he made 17 trips with the American Orient Express excursion train as a guest lecturer, bragging that this was "the best boondoggle ever." He officially retired from Sam Houston State University at

the end of 2011. Dr. Nolan was active at St. Stephen's Episcopal Church, Huntsville Rotary, United Way of Walker County, the Texas Prison Museum, the Chamber of Commerce, the Forest Trail, Raven's Rangers and other efforts to promote the University, the Museum, and Huntsville. He was proud to be an honorary member of the Sons of the Republic of Texas and to have served on the board of Humanities Texas. He believed intensely in the value of liberal arts education, railroads and wilderness. Predeceased by his parents, aunts and uncles, and son Patrick Thomas Nolan, he is survived by Bobbe, his wife of 49 years, son Philip George Nolan and wife Kristi of Eagle Lake, TX, granddaughters Catherine Allen Nolan and Rachel Reminder, sister Kathleen Dypwick (Jeff) of Chaska MN, and nieces Ann and Lisa Dypwick of Bastrop TX. Funeral services will be held at St. Stephen's Episcopal Church on Monday, January 30, 2012 at 1:00 p.m. Following the service the family will receive visitors at the Katy and E. Don Walker Education Center on 19th Street from 3:00 to 5:00 p.m. In lieu of flowers, please consider joining the Friends of the Sam Houston Memorial Museum, or making a contribution to the Sam Houston Folk Festival or to the Rotary Water Well Program. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com

“ *Please accept our families condolences on the loss of a beautiful and enlightened man. Our hearts go out to Bobbe, Philip, Katherine, Kristi and all the family and friends who were lucky enough to know and learn from such a thoughtful and genuinely caring man. Rest in peace Mr. Nolan, and, thank you.*

Frank Skelly Jr. - February 01, 2012 at 05:07 PM

“ *Oh no...I am so saddened by this. Dr. Pat was such a big part of the Forest Trail region for so many years - he was always 'up' for anything.*

Texas truly has lost a 'Treasure!'

Blessings and comfort to his family!

“ Dearest Bobbe and Family,

Please accept my sincerest condolences on Pat's passing.

As you well know, Pat was my first "archival mentor" - my OHS "field office" was located in his shop at WSU when I started work in 1975 right out of graduate school. His passion for this profession, life in general, and (of course) his sense of humor are long and fondly remembered by a legion of associates.

Best,

*Steve Haller

“ Bobbe and family,

We will always remember Pat's wonderful sense of humor and his diligent service to community, church and the Brotherhood of St. Andrew at St. Stephen's, Huntsville. He will be sorely missed. Be assured of our continued prayers for you as you continue through and beyond this difficult time. Bob and Rosemary Streeter

“ All of Southwest Class of '60 will miss Pat. Our reunion in 2010 has become quite poignant. As one of my very best friends ever, I will miss meeting again with Pat and Bobbe and sharing memories of German Club Dance "shuhplottel", canoing down Minnehaha Creek, not the falls of course, and the high level of educated humor which prevailed in the classes we shared. Our sympathy to Bobbe and family. We all had expectations of more memories to come. The next phase of our lives is through faith. With love, Jim & Sandi Reed

“ Doc brought energy and life to the idea of Texans preserving, and telling the stories of the people of Texas. He found what were in effect the dusty forgotten books of our past and made them reachable and understandable. Like my ancestors who came to the Brazos Valley in the 1830s, Doc in his way was a true pioneer. Though it is shocking to lose him, let us be grateful for the days we had with him.

“ I am an old archival colleague of Pat's and although you don't know me, I share and sympathize in your loss. I knew Pat from Wisconsin connections and through the Midwest Archives Conference and kept up through his early years at Sam Houston. He was a great presence, a dedicated historian and archivist, and a longtime colleague and friend. The professions and places in which he worked are richer more meaningful places because of his contributions. His sense of humor and his infectious laugh will stay with me. I know many around the country will mourn in his passing but remain grateful to have known him.

“ I am extremely saddened to hear of Pat's passing. We shared much in grade school as we walked home together, and had lots of laughs in high school too. Who can forget his portrayal of the curmudgeonly "Man Who Came To Dinner" in the class play? The country will dearly miss a man who accomplished so much, and would doubtless have accomplished yet a great deal more, were he not taken from us far too early. My deepest condolences to Bobbie and the family.

Bruce Edsten - January 26, 2012 at 09:20 AM

“Dr. Nolan provided vision and hard work that resulted in Sam Houston Memorial Museum receiving national accreditation and much wider public awareness. The many new programs and special events (such as lectures, exhibits, and other educational activities) made the Museum a major cultural center for Huntsville. It is a sad irony that he died just as he was preparing for a well-deserved retirement. He will be greatly missed, and Joan's and my thoughts are with his family.

Paul M. Culp, Jr. - January 21, 2012 at 12:23 AM
