“ *I'm just now learning of Patsy's death. Just a few months ago sent her an email through Ancestry to tell her of my mother's death, Hazel Willoughby Smith. Hope the two cousins are together once again! I will miss sharing family names with her*

“ *Jo brought Patsy to our class reunion a few years ago and she immediately fit in with our group. Since then, classmates would ask me, “Are Jo and Patsy coming this year?” We certainly enjoyed knowing her, she brought a lot of fun to our gatherings. Our love and condolences to her family.
