*...A little uplifting poem*

*"It will be the little things  
that you will remember,  
the quiet moments,  
the smiles, the laughter.  
And although it may seem  
hard right now,  
it will be the memories  
of these little things  
that help to push  
away the pain  
and bring the smiles  
back again."*

*-LOVE YA*

“ We love you both very much and pray that you find peace in knowing that your mom will never feel pain again. Even if she didn't have the chance to tell you I know she was proud of both of you. May she rest in peace.

“ Mandi,

*My heart is heavy and hurts for you when I think of what you might be feeling. I think though, that your mother would be honored to know she raised such a woman, and how strong you've been through everything you've had to accomplish. My condolences and prayers will be with you and your entire family this week.*
