“ *I had the fortunate experience of working with Paul on multiple occasions. He was truly one of a kind and my condolences to his family and friends. He had the best attitude on life, not letting the little things get you down and finding humour when it was needed. He definitely took pride in his work and would fill any role to help when it was needed.*

Rest easy "Doodlebug".

“ *It was a true honor to work with Paul for the last decade. He was not only an outstanding co-worker, but a willing mentor and compassionate friend. His ability to blend hard work with humor was a huge morale boost and made difficult days easier to bear. I will never forget his infectious effort, witty comments and kind manner. Rest in peace, my friend.*

“ I only knew Paul for six weeks on a recent job in the Gulf of Mexico. From our first hello, I found him to be one of the most friendly and honest person I had met. His broad knowledge concerning our work was incredible and he was always willing to share with anyone. I found him to be the kind of man that if he had three tasks going on and seen you were struggling with something, he would pause what he was doing and help you out; that is just how he was in the short time I met, knew and worked with him. He will be missed by the crew.
My heart felt condolences to the Dean Family.

I have known Paul for many years, and have sailed and worked with him in many places. His gentle and easy manner were always infectious, even when I was not necessarily in the mood to 'take it easy'. He would always remind me of the importance to slow down at times and relax. I had recently spoken with him, and I value that conversation and time shared with him. I will miss him, as I think we all shall. Rest in Peace Paul; and may peace embrace all of the Dean family.

“ Paul was the best step father anyone could ask for! He loved all 3 of us girls and all of his grandchildren so much! I will miss him lecturing me about my finances and saving money! I will miss walking in the house and seeing him laying on the couch & saying, "Hey DeAnn!!! Damn, you've put on some weight!" He loved to give me a hard time!!!
He looooooved my Momma! They had their ups and downs but she was his everything! When she would be giving him a hard time about laying on the couch all the time, he would act like he couldn't hear her.... Of course I would be cracking up laughing. There are so many great memories we all have of him. Papa Paul will be missed so much! What I wouldn't give to hear him tell me one more time - Damn, you've put on some weight!!
I love you Paul!!!!
