

## Paul Henry Little

October 22, 1950 - May 15, 2018

On Tuesday May 15, 2018 Paul Henry Little went to be with the Lord. Paul is survived by his loving wife of 16 years, Sheila Little, four daughters, Michelle Duncan, Melinda Little , Lisa Spradlin and her husband Mikie, and Denise Mitchell and her husband Jody, Grandchildren, Justin Duncan, Landon and Madison Spradlin and Hannah, Grace and Bailee Mitchell. He is also survived by his mother, who meant the world to him, Karis Little, and his sisters Judy Remel and her husband Paul, Jane McCann and Deborah Marshall and many nieces and nephews. He was preceded in death by his father, Noble Thell Little.

Paul was a special person. He loved entertaining all of the nieces and nephews with his Donald Duck voice, taking countless pictures of nature or whatever caught his eye. Most of all he loved his family and friends, his four daughters adored him and his grandchildren did also. He was a Mama's boy who strived to show his love for her in any way possible and loved his sisters wholeheartedly. He loved his wife, Sheila, with all his heart. They loved spending every moment they could together and enjoying their lives. In March they found the perfect church, Hawthorne Baptist, to call home. Paul took every chance possible to make people laugh. It was never a shock to see him with his hat turned sideways, eyes crossed and a goofy look on his face. He was a perfectionist with everything he did. He was proud of the work he did as a police officer on the Huntsville Police Department, the 20 years he worked

for Brown and Root and the last 12 years with Texas Industrial Control Manufacturing and his life time work as an electrician.

He was the funniest man, daddy, son, brother and husband. He was our “wire twister” and will be sorely missed by all.

“ I had the extreme pleasure of working with Paul for close to 10 years. We always ate lunch together and not a day would go by that he didn't say something to make you laugh. He would get a daily phone call from Sheila and would light up when his phone would go off knowing it was her. Paul was very well liked by everyone and he had a heart the size of Texas. I will miss him very much and his infectious giggle and sense of humor. God will appreciate what he will bring to the table.
