“ *Susan, my heart aches for you. Mitch has been around the animal shelter as long as I have and we will miss him very much. Whether he was dropping off newspapers for us to use in the cat room or making donations in memory of his parted friends, we knew we could always count on him if we needed help. Much strength is wished to you and you family.*

“ *I was saddened to learn of Mitch's passing. He was a valued contributor on The Huntsville Item's Reader Advisory Board during my tenure as publisher, always ready with positive suggestions and, when necessary, critical observations. It was always evident that Mitch was an avid reader and extremely well informed. More importantly than this, he was a good friend. I always enjoyed his contagious smile and infectious sense of humor. He will definitely be missed.*
