I was honored to be at Trinity University playing football and baseball 1970-73. He was a sweet man and a friend. His work on my behalf helped me to earn All Southland Conference honorable mention my sophomore year 1971 and named to two All American teams my senior year when i led the nation in interceptions. I would love to meet the family and sorry i was unaware of his passing.

“ The passing of Paul has broken my heart for his family and dear friends. I had the privilege of teaching with his dear Mary for many years on Stewart Campus. Paul loved Nathan and Mary and would often visit our campus bringing lunches and treats to Mary and teachers. He was a kind soul and was compassionate to everyone. I was blessed to know him for many years and will pray for his precious family in the days ahead. The world truly lost a special man 📄❤️🙏
