*The C.I.A. Services family, which Paula was a part of for 10 years, just found out of her passing and are so greatly saddened. We all loved Paula and have such wonderful memories of her. She was the ring leader of the office pranks for sure and knew how to get people good. She loved to have a good time. She loved to go all out for our annual Hockey events and make people laugh. She always participated in our RiverFest event as well. Paula, you will be missed by us all. We love you and may you rest in peace sweet lady.*

*Those of us at C.I.A. Services that knew Paula, loved Paula. She was always happy, laughing and ready to have a fun time. I will never forget the day she jumped off the moving train at the Houston Zoo to rescue my mother when I accidentally tipped her wheelchair over! Paula did what it took to come and help. We had fun laughing about it later. That was Paula's heart, make the best out of a situation.*

*I am so sad that those of us at C.I.A. Services that knew and loved her did not get the chance to tell her goodbye.*

*Paula, you left a special place in all of our hearts. We will see you on the other side someday. Rest in Peace.*

“ I am so sad at the passing of my dear friend...Paula and I grew up together & I have so many fun filled and wonderful memories! Oh, the things we got into in high school ... brings a smile to my face right now! We tried to keep in touch over the years but, we were both too busy raising our families. I regret now not taking the time now to keep in touch! I truly HATE Cancer!! It has taken too many of my friends much too soon! I am praying for the entire Legler family, as I know this grief must be so hard on everyone. Just know that Paula is finally at peace now & reunited with her loving Dad!! I will miss my friend... I love you, "Red". God Bless...
