“ *So very sorry for your loss. My mother, Merle Wooley, and Pauline would visit occasionally. I'm sure they spent many hours discussing our shared ancestry. I had not seen Pauline for many years, since last accompanying my mother on one of those visits. If Mother were able, she would send her condolences to you all. On behalf of Mother, please accept our most sincere condolences on the loss of Pauline.*

“ *So very sorry to hear about the loss of Mrs. Greer. She & Mr. Greer were longtime friends of my parents and I have so many fond memories of them. The best times were when my parents had my brother, Joe Brown's band, to play in my parent's shop building and they danced & laughed until they could not any more! It has not been 2 years yet since I have lost my dear mother and know how hard it is...just think of all those wonderful memories & how she enjoyed her life!! Hugs & God Bless...*
