Pedro Sanchez was a man with a generosity of heart surpassed only by his ability to love without measure or restraint. In spite of the hard work ethic to which he dedicated himself, Pedro never forewent the opportunity to help those in need. “ *My condolences to the Pedro Sanchez family. Pete was a wonderful family man and great friend of my family. He helped my father, Robert Walker, with his horses, and all jobs around our houses. The Sanchez family will be in our hearts forever, and Pete will be greatly missed.*

“ *We have lost a good man. He did do good work and wanted to satisfy his customers. Pedro was a kind man. I will always remember his telling me about the parties he had at his home for his children and grandchildren and how they knew he would put money in their favors. Our sincere sympathy. God Bless*

“ *I am saddened to hear of Pete's passing. I knew Pete and his family since about 25 years ago when I visited in Huntsville with my family, Bob & Dorothy Walker. Pete was always ready to help Dad and Mother with any needed chores and he was always smiling when I saw him. He was a fine man and weill be missed by all who knew him.*

“ Ofelia and family, please accept our most deepest sympathy during this time. Our thoughts and prayers are with you. What we will remember most about Pedro is his love for his grandchildren. He was a good grandfather. Always joking and smiling. Always ready to help whenever he could. The boys were very blessed to have grandparents like you and Pedro.  
God has called him home and he will be missed so very much. May God give you comfort and peace that can only come from Him.

“ Maria and Family,  
So sorry to hear about Pedro. He was such a good person and perfectionist in his work. I am still enjoying the paint job that he did for us many years ago and Maria the work that you did with the wall paper. So many will miss his work and kindness.  
My love and prayers,
