“ My earliest memories of Mrs. Kroesche are as "room mom" around  
4th to 5th grade. She always seemed to be larger than life but I  
looked forward to seeing her.

*As life progressed, I came to see Mrs. Kroesche as the loving and  
devoted wife, mother, community leader but above all friend that  
she was to so many. She has left a lasting impact on our  
community. We are richer for having her with us.*

*May God grant her family comfort with His presence.
