“ *The Broken Chain*

*We little knew that evening that
God was going to call your name.
In life we loved you dearly,
In death we do the same.
It broke our hearts to lose you,
You did not go alone;
For part of us went with you,
The day God called you home.
You left us peaceful memories,
Your love is still our guide;
And though we cannot see you,
You are always at our side.
Our family chain is broken
And nothing seems the same,
But as God calls us one by one,
The chain will link again.*

*Dan, we were so saddened to hear of the passing of your father.
There is no doubt that he was a loving, caring, and great father as
he raised you to be the fine man that you have become. Keep the
faith that he will always be with you in your hearts and fond
memories and know that with prayer, you and your family will see
through this difficult time.*

“ *Our Heart felt condolences goes out to the Perry Hook Family. It saddens us so because he was so very nice to our family. We live in 26 and we would go do laundry and on many occasions he would decorate their place and we would always go over and admire the beauty that they would put out to make people happy. I really liked Mr. Hook you could just tell by talking to him that he had a sweet spirit. We will all miss him, his smile and the way he was about having the time to just talk to you, and say very nice things. Which now a days no one has the time, but Mr. Hook always had time for a wave, or a talk, and a sweet smile. May Gods Mercy cover the family in this most sad time. We will be praying for the family. Everyone that knew him, will greatly miss a true friend.*

Therefore we will not fear, Even though the earth be removed, And
