“ *To all of the Slott family,
Mr. Pete was one of my favorite people. I have som many wonderful
memories of him, but my favorite one will always be sharing home-
made sandwiches on the front porch of the Deer Camp. For some
reason, things always tasted so much better if Mr. Pete made them.
He was so dear to all of my family, and you are so fortunate to have
had him in yours. My most sincere condolences.*

“ Dear Slott Family,
I have so many memories of Mr. Pete, but one of the fondest is of him appearing at our back door many years ago with fresh vegetables from his garden. This is just one example of his generous and kind spirit. He loved people and always had time to "visit". You were so fortunate to have had him as a loved one for all these years, and he was also fortunate to have had you to take care of him when his health failed. He was so very proud of his children and grandchildren and great-granddaughter. We will all miss him.

God bless you,
Vergie Dotson and family
