“ *We send our most heart-felt condolences to you Paralee. I have many good memories from Kerbow-Simmons of Phil, including those of you sending with him wonderful treats for us to eat. Phil was a key man for years at our company, and a first class gentleman. We know he will be missed.*

“ *Dear Paralee,
I am so sorry to hear about Phil. Norm and I are not in town right now or we would certainly attend the visitation to extend our condolences to you and the family.*

You've been married a long time and you will miss him dearly. Just be assured that when you look to the heavens on a clear night, there will be one star that shines brighter than the rest. That will be Phil winking at you.
