“ *Tracy,
I was honored to have my career path cross with Phillip's when assigned to the Walls Unit. He was a great employee and wonderful correctional officer. I admired him because he had a real sense of love and loyalty to you and to his children. Phillip was a joy to be around and always had a great sense of humor. He will be missed and we are all better people just having known him. Thank you for sharing him with the world. You and your family will remain in my heart and prayers.*
