“*Mrs. Cummings will continue to be a great light in my teaching profession. To this day, I tell my students that I am 'Living my dream' and that I made the decision to become a teacher when I was in the second grade because of a most compassionate, loving, and intelligent educator at Placedo Elem.-Mrs.Cummings...Family, I know she will be missed; I will seek her light in the heavens and hold her memory close to my heart...*

God Bless All
