

Phyllis Fly

April 16, 1949 - June 13, 2006

Phyllis Carter Fly Age 57 died on June 9, 2006. Born April 16, 1949 to Billy and Tommie Carter of Oakhurst, Texas. Phyllis graduated High School in Coldsprings, Texas and married her husband of 39 years, Billy Fly. They moved to Shepherd, Texas and had two sons, Billy (Gene) and Carter. Phyllis enjoyed almost 20 years of employment with TDCJ in the Food Service Division where she has many dear friends. She is survived by her mother and father, Billy and Tommie Carter, her loving husband Billy, sons Billy (Gene) and his lovely wife Julie of Tarkington Prarie, Carter and his lovely wife Beverleigh of Dublin Ireland, sister Belinda Bratton, brother Dale Carter, many aunts and uncles, nieces, nephews, cousins and six very special grandchildren. Granddaughters: Skylar, Shelby, Cassidy and Dayna. Grandsons: Chris and Nick. Her greatest pleasure was getting to spend time with her grandchildren. Phyllis was a loving mother and wife and enjoyed traveling with her family and friends. Since her retirement Phyllis has spent time traveling to Ireland to enjoy our most gracious extended families, tubing on the Guadalupe River, resting on the sea shores and making all the garage or bargain sales she could find. She was a true Bargain Queen. Christmas was a special time for her to be with all her family and friends and she loved celebrating life. After a long extended illness, Phyllis is now celebrating life in the arms of Jesus. Phyllis has left behind her dear and special friends Janis and Davis Moulder, Nina Price and all her caregivers who so lovingly supported and enjoyed life with her. Her loving memory will be with us forever.

Services will be held Tuesday, June 12, 2006 at 11 AM in the Center Hill Baptist Church in Oakhurst with Rev. Reagan Cooksey officiating. “ *We here at the Michael Unit are sadden to hear of the loss of a beautiful lady. She was always there if we had a problem to help fix. She always had a smile on her face and was always able to help out when we were having a bad hair day. We will miss her very much. She will always be in our thoughts and prayers.*

“ *Life is not a journey to the grave with the intention of arriving safely in a pretty and well-preserved body, but rather to skid in broadside, thoroughly used up, totally worn out, and loudly proclaiming ... WOW ... what a ride!!!*” *I don't know who wrote this, but it sure does remind me of Phyllis ... always on an adventure ... letting absolutely nothing keep her down ... insisting on doing it her way. She is on the greatest of all adventures now. I will miss her twinkling eyes, ready smile, and brave, spunky spirit. May each memory of Phyllis comfort her family and bring them peace.*

“ *Billy and Family,*

I am very sorry for your loss. I had the opportunity to work with Phyllis, as we both started the same day at the Ellis II Unit. Phyllis was always an inspiration to me at work and was always so caring and willing to talk. She will be sorely missed, though she will leave much behind. I feel honored to have known her and to have had her touch my life. If we can be of any assistance please do not hesitate to let us know.
