“ *Piper was one of the nicest people I know. I worked at the bank downstairs from where she worked, and she new the hard time I was going through with my terminally sick little brother. She came in and talked to me almost everyday. She even emailed my mother to offer any kind of assistance. Piper cared about a stranger and became one of my friends. She and her family will always be in my thoughts and prayers.*

“ To the family of Piper Fisher I wish to express my deepest condolences for your loss. I was one of the nurses in the ER that looked after Piper on Sunday. Although there are no words that can ease the pain of your grief, I want you to feel secure in the knowledge that we did absolutely everything we could for her. I am only sorry that medicine is not without its limits.

“ *To Piper's Families.*

*It saddens us deeply hearing of Piper's sudden passing. Her years were way too few. Piper was a good friend of my daughter, Heather Hill. They attended Klein Oak High School together. We have many fond memories of Piper as she would come to our home to visit Heather. Piper was always welcome in our home. We pray God will help you all through this time of sorrow.*

May the grace of God sustain you as you learn to deal with the loss of your child. My heart aches with you as know first hand with what you are now facing. But know that God will keep you, even when you feel that you can not go on. Accept help from those who care. Draw nigh unto those who are close, allow yourself to grieve in away that gives you comfort. I will keep you in my prayers now and for the days ahead.*
