These two babies should have been enough for Prescilla to get herself together. Unfortunately, this will never be. Until we meet again Prescilla and Michael

“ My beautiful Prescilla ☐ *This is completely unreal to me. I never ever thought I would be attending your going home service. I have always loved you. Since day 1. I am forever grateful for you introducing me to my husband and for the family we have now. I will cherish every single memory with you. I will miss reminiscing of them with each other. The remember whens. The laughs. The crys. I wish you could have seen how many people loved you P☐☐ Watch over us beautiful girl.*

“ From the bottom of my heart, I send my condolences to Prescilla’s family. I got to meet her. She had a beautiful heart. From her Daddy Lauro and myself, I want you to know she was loved by us. We constantly prayed for her. We cannot understand why our Lord God took her so soon, but we know He’s got her in his arms. - Lauro & Ave Ochoa

Ave, don't let Lalo lead you to me ever again. I made it through the funeral for my daughter only. Flaunt yourself as wife to Lalo. My kids and family have not seen him since 2001. What audacity for you to show yourself. Your marriage is yours. You think Prescilla's grandparents. MY PARENTS AND FAMILY TO EVER SEE OR HERE FROM LALO NAME AGAIN. Much less yourself. He left us in a bad way 25 yrs ago. Prescilla gone so you can move on from your project with my daughter. Never contact me , Josh, or even think about the grandson. Lalo lost his manhood, credibility, and his opportunity to see his daughter in ty fee world. We need nothing

Tina, I am so sorry. I was told you were okay with me attending so her dad could see her one last time. If I would have been told you didn't want me there, I would have never attended. Rest assured you will never again hear from me. I apologize for making you feel uncomfortable in a very difficult time. I'll never again take anyone's word. I should have known better. God bless you.
