“ *Over 40 years, around the holidays, I heard conversation that Mozella and Pearl had with each other concerning the meals they had prepared for their families. As they look over their life of growth, one would say "Mom taught us very well". They always ended the phone conversation by saying "I love you".*

The Word of the Lord...

Do not let your heart be troubled. Trust In God; trust in me. In my Fathers' house are many mansions, if it was not so, I would have told you. I go to prepare a place for you, and I will come back to take you where I am. John 14: 1-4

Until we meet again, God's Grace
