“ *I knew Gene when he lived in Nashville in fact at one time I lived in the house next door to his parents home. We used to run around together.*

We lost track of each other when I moved to middleville and many places sence.

I am sorry for your loss.

“ *John, Even though I did not know your father, just reading his military accomplishments seems to "hit home" with me. My dad was a WWII vet and damn proud of it. He recently passed also. I'm sure you have many memories of your dad, keep them fresh in your mind and he will always be alive. My thoughts and prayers are with you. See you soon.*
