“ I met Bob several years ago when he visited the Conroe Country Cousins square dance club and took lessons the following year. Bob was a perfect gentleman, Texan, and such a pleasant personality to have at the dances. I know that his will be greatly missed by all of his family and friends.

“ *Leroy and Sharon, I am so sorry to learn of your fathers passing. I am not sure that You Leroy will rember us, and Sharon was just a baby when we all went down to Chocolate Bayou and fished. We have 3 sons that were about Bobby's age. I worked at Sears Catalog and your Dad did Contract service on Appliances that was sold at the store. Your Mother and Dad were such sweet people . I know you will miss them, but just remember they are in a much better place. My deepest sympathy goes out to you both. I just lost my husband Dec. 26, 2009 after 58 years of Marriage. May God Bless you,

“ *Leroy - I read in the Conroe Courier this morning of your father's death. He was a good man of whom I have fond memories. As a teenager (about 14), I enjoyed playing baseball on the Conroe Lions team coached by your father. If my memory serves me well, I played on his team for 2 years. After that, we stayed in touch & again I ended up on a summer league team coached by your father. I was probably around 20 years old in college and home for the summer. Supposedly, our team was a loose-knit farm team of the Houston Colt 45s. After that summer, Bob and I would see each other around Conroe, as I had come back to Conroe after law school. I always enjoyed reminiscing with him and will miss him.

“ To my friends Leroy and Jill,

I only had the pleasure of meeting Mr. "Bob" on a couple of occasions. But when I did the DNA of Leroy's personality was apparent. A perfect blend of Sweetness, Smart and methodical all wrapped in true Grit. That was MR. Bob to me.

Dear Lord give The Wilkersons the peace that you promise for these times. May they know the saving grace of a loving saviour and in that simple acceptance of Him know that they will reunite.
