“ *To: Darlene, Jessie & Billie:
Ralph has left a big void in my life! We were close shipmates for many years and have remained "best buddies." We called each other on a weekly basis...I miss him so much. Good friends are hard to find, harder to leave, and impossible to forget. Some people make the World special just by being in it. Ralph was that person! God bless all of you!*

“ *What an honor and privilege it was to live next door to the Eddy's for the past 14 years!! Mr. Eddy was a wonderful man, who I will miss so much. My daughters have wonderful memories of growing up next door to MR. and Mrs. Eddy. Memories we all will keep close to our hearts. Thank you Mr. Eddy for being my friend, and the best neighbor I could have ever had. When we moved to town in September, it was a exciting time, and a sad time, because I knew that I would be leaving them behind. My love to all of you now. Always know that you will forever be in our thought and prayers. Let us know if we can do anything to help you.*

“ I am honored to be asked to be a pallbearer for my uncle Ralph. I have many fond memories of Uncle Ralph in my growing up in Iowa, and in later years during holiday visits in Texas. He was always kind and generous with me, and could bake the best pecan pies I have ever had. His gentle spirit and good sense of humor will be missed.

Love
