“ I am so so sorry to hear about Ralph passing. He was indeed a great man. Throughout the years I have known Ralph. He always made me smile and laugh for he always, always had that Losack way of making someone feel like family. He loved to cook. I remember when he got that cook trailer and showed me each and every picture of it. He was a talker and a friend. I am very sorry for the Losack family, you have lost a good man but the memories of Ralph will live onward.

“ *Sable & Family - Words fail me and I don't know if there's anything that can be said to soften the pain of your grief just now, but our prayers are with you. I'm so glad you and your family have the faith and faith-filled friends you do and believe that the Lord takes care of our loved ones, as He does. Your friends may not always do or say the thing YOU think or want them to, but they love you and respect you and are there to help you in any way they can - IF you will let them. Sable, let your friends know if there is anything they can do for you. They/we want to help, if you'll let us. Even though we may have other commitments, some may be able to help or pitch in, once in awhile. Please take very good care of yourself, Sable. People love you and care about you. The Lord loves YOU!!! GOD BLESS YOU AND YOUR FAMILIES!!! We pray for your Health, Safety and Healing!!!*

Christ became one with us in our pain and struggles. He knew physical pain when He was tortured and crucified. And he knew emotional anguish when He was betrayed and abandoned by His friends. In His pain, He taught us the ultimate form of healing - ACCEPTANCE OF GOD'S WILL.

Just as the sun will set then rise with each and every dawn, the souls of those who lived life well, eternally live on...

Now that the sun has seemed to set on your very dear Ralph, please know a soul who lived so well remains forever near.

His smile hugs and his willingness to help whenever anyone asked, especially Church affiliated times, will always be his trademarks to me:) Love & Prayers. Sorry I'm in Florida & will miss the services, but Bill will be there.

“ *To the Losack Family,
I was saddened when Mom told me about the loss of Mr. Losack. He was so very special to me after Dad died, because he always had a smile and hug waiting for me. I'll never forget the last time I saw him. My husband and I had come home for Fair on the Square. We went by the church and as always he was there taking care of the food. He looked at my husband with a straight face and said, " boy you better be good to her, or you'll have to answer to me." I loved it! I will always have fond memories and video of he and I dancing at my wedding. I loved him dearly and my thoughts and prayers are with you all. I feel like I have lost a special person in my life.*

“ To Sable, Debbie, Ida, Rory & Ralph Jr and the rest of the Losack family, I am so very sorry for the loss of your husband/father. He & your family have been such good friends of our family for over 30 years. I always enjoyed getting to spend time with your dad when he worked for the county! He had the most happiest laugh and I will miss seeing him about town & hearing his laugh! The days ahead will be the hardest but just keep all those wonderful memories close & they will help you through it all; I know mine did when I lost my dad. I know he & Mr Losack are catching up on all the gossip & just having a good time up there! Please know that your family is in our thoughts & prayers!
