“ *Dear Jack and family, My prayers will continue to be with you during this difficult time. I now know exactly how you feel. I loved Ramona so! She was a sweetheart and loved you and her family so deeply. I shall never forget her last words to me on Thursday before her "graduation" on Sunday. Just as was her usual custom, Others were placed before her own needs and she whispered I love you. I will greatly miss her and her living example of what a Child of the King should be. She loved you, her family, and her Church family so much! I will miss her greatly. May God give you comfort during this time. Sincerely, Dorothy Hopkins*

“ *Dear Jack and family; I am very sorry for your loss. Ramona was a special friend of mine; even after my dad Robert passed, Ramona and I kept in touch by phone calls and email. We exchanged pictures and news, and if I was feeling down she always managed to cheer me up. Her spirit was truly amazing, she was a loving, giving person that could convert to a strong, no-nonsense personality instantly if needed. Her sharp wit and keen sense of humor are some of my fondest memories of her. I am comforted knowing that she is now at rest and has peace. Although, knowing Ramona the way I do, she won't be "resting" for long! She will be up, taking charge and following God's plan for her and continuing to do His work on the Heavenly level. God bless you all, you are in my thoughts and prayers. -Kitty Keith*

“ While we didn't know Ramona personally, we thank her for her wonderful son Rick. If Rick's attitude and general kindness is a reflection of his mother, then she must have been an awesome person!
Our thoughts and prayers are with the entire family and we rejoice in knowing her suffering is over and she is at home with our Savior Jesus Christ!
