“ Through many of Donna's stories at work, I've come to know Randy from afar and know that he was a good friend to many, and that he was a hard-working man of integrity. It's also clear that he loved his grandchildren, his four-legged friends, and life in general. Donna -- may you gain comfort in knowing that Randy is truly healed and no longer suffering where he is now. And, may you and the rest of Randy's loved ones feel at peace during this sad time and may you continue to remember and enjoy all of the good times through memories that live on. God bless!
