“ *I was so sad to hear that Hunter had passed away. He and I had become friends and I was really looking forward to his return home. I know he was an extremely sick man but now he "runs" again in the kingdom of heaven . I wish I had gotten down to see him in the hospital to share the pics of my daughters wedding but unfortunately I ended up in the hospital myself and then my father ended up in the hospital and diagnosed with pancreatic cancer and spread to liver amd kidneys and he passed away also 3 weeks later. So God I lift Randy up to you, bless him plentiful in heaven*
