“ Margaret & family, Tommy and I are thinking and praying for you and your family.. You have been a dear friend as I would see you @ Doc. Whites Denist office in Highlands for years.. I know Craig will be missed, but please keep all the good memories and share them with your children and grand children... "keeping memories alive" is what I do, I've lost both of my Sons and I DO know I will see them again...one day in Heaven!! and that gives me hope and peace.. Keep your Faith..

“ *Margaret, what can I say, but I am so sorry. I'm sorry for not being able to come by before I went overseas. Craig wanted to show me the new house. He and I built several in our younger days working for my Dad. I had to rush Craig to the hospital once because he let a power saw get tangled in his leg. You know the scar. Most of all I'm sorry for not being around to share the friendship, and brotherhood that Craig and I always had. I have and will continue to miss him.*
