“ *For the years I lived across from Raymond he was always kind, considerate, well liked and helpful. I laugh remembering walking in on a discussion he was having with another neighbor going back and forth on how many time zones are in America. Please accept my sincerest condolences. Praying for peace for the family. I know there is nothing for me to say that will make your loss easier but know that I am sending you my love and support. The loss of a good man hurts us all.
