“ *Our hearts are saddened by the news that the world has had to say goodbye to such a wonderful beautiful soul. No doubt heaven just received an angel like no other and Mrs. Reba is holding all the babies in heaven just like she held all our babies here on earth. Col., Jimmie and I are thinking of you and your family and praying that God comforts you and helps you heal. You and Mrs. Reba were a blessing in our lives all the years at Kings Cafe. And now Reba and Liz are together just waiting for when our chores are through. God Bless! Jimmie and Renea Bryan*

“ *Ray, we were so sorry to hear about the passing of your Mom. I remember her sparkling personality and warm hospitality when we visited your parent's home along with one of the Chinese delegation visits to Lone Star many years ago. Your parent's openly welcomed all of us and fed us too!*

*Although you and your family will miss her dearly, her spirit will live on in each of you. In time, the emptiness you feel now will lessen. Bless you, your family, and your Dad.*

*Take care,*
