“ *To Becky's family, my deepest sympathy. I was a year behind Becky in junior high and high school. A kinder, lovelier person I've never known! I've thought of Becky many times over the years, and I am not at all surprised to read how lovingly and successfully she lived her life. I am so very sorry for what must be your unfathomable loss of this beautiful soul.*

“ I am deeply saddened to learn today about Becky's passing after seeing the birthday wishes from her sisters in the Austin Statesman. Becky was one of my best friends from seventh grade through high school. I remember spending the night many times at the Beardsley's wonderful home on West Avenue. I remeber her loving parents and all the sisters. Becky was always so beautiful, witty, full of fun, and very intelligent. I truly regret not keeping up with her through the years. After reading the many memorials online, I realize she continued to be an amazing person; successful in her career and family. I offer my most sincere condolences and love to her family.

“ I work at The Harris County DA's office and spoke to Becky many times on the phone. She was always very warm, patient, and extremely helpful, even when I hadn't a clue what I was talking about. Though I never met her in person, I will miss her knowledge and spirit.

“ To the Cuculic Family,
I have nothing but fond memories of Becky (Mrs. Cuculic) and of spending time in your home growing up. She has quite a legacy with three beautiful daughters, sweet grandkids, and loving, committed marriage. I'm sad I can't be there today, but will continue to lift your family up in prayer. May the Lord be blessed this day, and may you feel his presence.
