“ *Beckie,  
I will always remember the fun loving street running  
young lady you were. Ready to gather all the kids and hit the road.  
They loved to jump in and go as much as you did. I know that you  
are missed and loved by many. You faced so many trials in you life  
and always handled them with such strength.*

“ *Rachael and Family,  
My sincere sympathy in the loss of Becky, she was such a blessing  
to our Sunday School Class and we will miss her. I have not seen  
anyone handle the many challenges that she had in such a "Christ  
Like" way and she was so loved by all of us.  
My love and prayers.

“ You are the baby sister in the family, loving mother of your children and grandchildren. You cared for everyone even in times of your own struggles in life. Now you are God's angel in heaven looking down over us all. We love you and will miss you so much. Until one day when we meet with you again in heaven, know our thoughts and prayers are always with you. We love you!
