“ *So sorry for the loss of Renee she has a special place in our hearts here in California. She brought a whole Lotta sweet country to the city slickers out here. Her family was super sweet and kind and they will always have a special place in my heart.*

“ I would like to share my heartfelt sympathy for the Ridlon Family at this time. I remember this beautiful person as a little girl living on Dunlin Meadow Drive in The Woodlands. Her older brother, Randy, I knew also, as he was a good friend of my son, Penn Mallery. Penn remembers Renee, a few years younger than he and Randy. I will be unable to attend the visitation tonight, but Penn joins me in sending love and thoughts at this time. Please pass on to Randy our feelings.

God's Speed,  
Ann Mallery and Penn Mallery

“ Renee was a sweet, kind, and generous person who loved the Lord. She was like another daughter to me, and a very supportive friend to my daughter Jessica. I will miss her very much, but rejoice in the knowledge that she is now in God's hands. Suzette Lewis Mueller

“ My beautiful friend. I went to her house around Christmas time a few years back with this silly little dancing flower that moved in the sunlight and you would have thought I brought her a mink coat. She loved that little thing. Two years later she took a pic and sent it to me to show me she still had it. I loved her heart. So many wonderful memories with her. Sincerely saddened by this shocking news.
